**S**tudents. Teachers. Everyday citizens. Business leaders. Policymakers. Local and international civil servants. These are only a few of the faces representing the global community that is the United Nations Association of the United States of America (UNA-USA). In cities and towns nationwide, UNA-USA is determined to educate, inspire and mobilize Americans. Our vision is a world in which humanity is spared the scourge of war, human rights are honored, the natural environment is protected and the United States is a constructive member of the United Nations for the well-being of all nations. UNA-USA is a not-for-profit, nonpartisan organization that encourages active civic participation in the most important social and economic issues facing the world today. From HIV/AIDS to public education to clearing landmines to international justice and peace-keeping, UNA-USA offers Americans the opportunity to connect with issues confronted by the UN in their own communities.
